

FOR IMMEDIATE RELEASE:

Atlantis Energy Systems, Inc. Receives 2009 Best of Business Award

Small Business Commerce Association's Award Honors the Achievement

SAN FRANCISCO, November 7, 2009 -The Small Business Commerce Association ([SBCA](#)) is pleased to announce that Atlantis Energy Systems, Inc. has been selected for the 2009 Best of Business Award in the Solar Photovoltaic category.

The SBCA 2009 Award Program recognizes the top 5% of small businesses throughout the country. Using consumer feedback, the SBCA identifies companies that we believe have demonstrated what makes small businesses a vital part of the American economy. The selection committee chooses the award winners from nominees based off information taken from monthly surveys administered by the SBCA, a review of consumer rankings, and other consumer reports. Award winners are a valuable asset to their community and exemplify what makes small businesses great.

About Atlantis Energy Systems, Inc.

Atlantis Energy is recognized as the leading innovator in solar PV. Atlantis offers a full range of state-of-the-art sloped roof BIPV (Building Integrated Photovoltaic) roofing tile solutions, and architectural BIPV glass laminates, bringing both beauty *and* power production to building design. Atlantis Energy Systems' manufacturing plant is located in Poughkeepsie N.Y., and is an active partner in manufacturing facility development with the New York State Energy Research and Development Authority ([NYSERDA](#)). The partnering with Atlantis and other small businesses in NYS is indicative of NYSERDA's recognition of business maturity and technical acumen. NYSERDA's position in their own words; "This partnership is a recognized achievement especially in the renewable business world, and we're proud to support that partnership with Atlantis".

This SBCA Award is a welcome addition to the numerous awards Atlantis has received, which include; the 2009 Frost and Sullivan World Building Integrated Photovoltaic Niche Player of the Year Award, the 2008 Averell Harriman Exporter of the Year Award, the 2007 Reader's Digest Best 100 Products in America Award, the 2006 Dutchess County Economic Development Corporation Award, the 2005 Building Products Best 100 Award, and the 2001 - 2002 PCBC Cool Products Award.

In addition, the Atlantis Energy Sunflower project located in Austin Texas, was featured as the [photo of the month](#) in the November 2009 issue of [Photon Magazine](#).

The main Atlantis Energy sales office is located in Sacramento, California. For further information on Atlantis sloped roof and Building Integrated Photovoltaic (BIPV) products, please feel free to call the Sacramento office at 916.438.2930, or the Atlantis Orange County California sales office at 858.433.9743.
